News items

RCFC always welcomes relative articles from parents about their children that can be used in the news section. It doesn't necessarily need to be football related, just of interest and in keeping with the spirit of the club.

Accompanying photos are welcome too.

Features

Players, managers, coaches and supporters will all be featured in special profiles that are in accordance to the FA's policies on Child Protection and Safeguarding Children in Football.

Put forward someone into the spotlight..!!!

Sponsors

Club sponsors can request restricted exposure in the newsletters to reach out to the parents and players of the club. All newsletters will also be downloadable from our website.
