Hi all Club members,

As we end another year, we all look back and consider what has happened to ourselves and others and to this end I thank everyone for their participation in the activities of the club bringing it to the stage where we currently exist, IE; a well respected and well run club satisfying all our lords and masters such as Rushmoor Borough Council, Football Foundation, Hampshire FA, Health & Safety, Hygiene, Insurance and many other legal requirements.

Special thanks go out to the team Managers and Coaches for their hard work in presenting their team every week for training and league games, to the Nursery group for the patience and development of young new teams coming through every year together with parents working with the new teams, and not forgetting the committee members for the dedicated behind the scenes work that keeps us all on the straight and narrow , with particular reference to Martin and Carol for all the administration work, Steve for his coaching prowess, and our Webmaster Lee for doing a fine job.

We should also remember the sterling efforts put in by our friends who run the kitchen to provide our sustenance, who run the bar to keep our spirits up and our brave solitary cleaner who faces the winter mud and chaos and leaves it shining every week so that we may all enjoy it.

We should not forget the huge number of parents who turn up every week at home and make their way to the away games and most of all the players who are the central focus of the club, without which we would not have a club.

In closing, I would like to remind everyone that our newly formed mentally handicapped team, the Rushmoor Community Foresters train and play on Tuesday afternoons starting about 2.00pm and we wish them a good future with us.

And so, I wish all of you a very merry Christmas and a happy new year and thank you for working with us to make the club one of the greatest in the area, long may it continue.

Best regards
Dave Austin
